

CalHFA - FHA Loss Mitigation Assistance Request

If you will be requesting loss mitigation assistance, you may qualify for federal assistance from "Keep Your Home California"- (KYHC). They have programs for eligible borrowers that include possible pay off of delinquent payments and reduction of the principal balance. You must contact KYHC directly to determine whether you qualify for any of their programs. You can reach KYHC at 888-201-5304. Let them know you are also working with us on a possible loan modification. If you have already spoken with KYHC and were told that you were not eligible for their programs, you may still qualify for other loss mitigation options. With or without KYHC assistance, you should still submit your documentation to us so we can complete a review for all possible options.

To apply for possible assistance you must complete and return the enclosed "Borrower Financial Information" form. Please be sure to fill in the financial form accurately and completely including any and all of your expenses and income. In addition, you must include the following documentation:

- Written hardship letter
- Last two months pay stubs for each borrower or income verification (disability, unemployment, SSI, child support, alimony, etc.)
- Last two years tax returns (schedules and/or profit and loss statements if applicable)
- Last two months bank statements (for all checking and savings accounts)
- Sign the authorization form to allow a Credit report and/or BPO/Appraisal to be ordered if necessary.
